

**Public Health Association of New Zealand**

**Media release, 24 November 2011**

**Resignation: Dr Gay Keating**

After more than a decade of service with the Public Health Association (PHA), Dr Gay Keating has decided to enrol for the Masters of Public Health (Otago) and so has resigned from her position as National Executive Officer.

Fortunately, Gay has agreed to complete a number of projects currently underway so she will be working on those until the beginning of the academic year at the end of February 2012.

All members of the PHA wish Gay all the very best for the future and thank her for her great commitment and contribution to public health and her long service to our Association.
